# **Exhibitors**

Be sure to stop by and visit with representatives from the following companies in the Crown Center Exhibit Hall. We are going to test your intellect again this year with the "concrete quiz". Each booth will have a question testing your knowledge of concrete and concrete pavement. Once you have answered all the questions, place your answer sheet in the box upstairs by the registration desk to be eligible for great door prizes. Quiz results will also be used to determine KDOT/MoDOT Agency Feud teams.

**Ash Grove Cement Company  
Carter-Waters LLC & Nomaco  
Central Plains Cement
