

**RE: 37<sup>th</sup> Annual Portland Cement Concrete Pavement  
Conference Sponsorship Opportunities**

It is that time of year again as plans are underway for our 37<sup>th</sup> Annual Portland Cement Concrete Pavement Conference scheduled for February 27<sup>th</sup> – March 1<sup>st</sup>, 2017 in Kansas City, Missouri. The theme for the 2017 conference is “**Manage Your Assets with Concrete**”. The MO/KS Chapter, ACPA is extremely proud that our signature annual event continues to be recognized as one of the premier concrete pavement conferences in the country, and with your support we will continue that tradition again in 2017. As always, our program will be filled with nationally renowned speakers from around the country, an awards luncheon honoring outstanding concrete pavement projects constructed in Kansas and Missouri in 2016, industry exhibits, and the Tuesday Evening “**Beer & BBQ**” Reception.

This year we are once again offering a variety of sponsorship opportunities to showcase your company and show your support for the Conference. We have added a Corporate Sponsorship for \$5,000. The Corporate Sponsor will receive two conference registrations, a special banner and recognition throughout the conference. Our Special Events sponsors can pick from several options such as the Paving Awards Luncheon, the Opening Reception, the Beer ‘n’ BBQ Social, the Registration Desk or either one of our morning Buffet Breakfasts. These Special Events sponsorships are available for \$2,500. Sponsorship opportunities are also available for Breaks for \$1,500. Companies have the choice of 3 different breaks to sponsor; the morning or afternoon break on Tuesday, or the break on Wednesday morning. The Special Events and Break Sponsorships are limited so sign up early to reserve your spot! Other General Conference sponsorship opportunities are available at four levels: Platinum Level for \$1000, Gold Level for \$750, Silver Level for \$500 or Bronze Level for \$300. All sponsors will be recognized in all of our electronic correspondence and our event program that will be on our website and distributed electronically

**in January. Sponsors will also be highlighted in the final program that attendees will use during the conference, during the conference on the video screen next to the registration area and during breaks/intermissions in the main ballroom, and on the sponsor boards in the exhibit area. Corporate Sponsors, Special Event sponsors and Break Sponsors will get additional recognition during the conference and specific events.**

**Included online is a list of this past year's sponsors and a 2017 sponsor form for you to fill out online. Be sure to reply early so your company's name will appear in the program on our website and in our weekly member email distributions. You need to respond by February 1, 2017 in order to get listed in the program. We also have opportunities to exhibit at the conference so please contact our office for exhibit booth information.**

**Thank you for your support of our outstanding technical and networking event, and we look forward to seeing you at the conference in 2017 if not before.**

**Sincerely,**

*Cindy Allen*
